Dining & Drinking in Cape Charles

Discover the taste of Cape Charles

Beautifully briny oysters just plucked from the Chesapeake Bay. Ice cream hand-churned with farm-fresh produce. Award-winning clam chowder washed down with a local craft brew. These are just a few of the flavors you'll discover in Cape Charles—and they'll keep you coming back for seconds (and thirds).

There's a good reason you won't find this kind of food and drink anywhere else in the world: Cape Charles cuisine is driven heavily by our distinctive geography, perched between the rich waters of the Chesapeake Bay and fertile, family-run Eastern Shore farms.

And then there are our people: Inspired creators who infuse our food and drinks with local flavor and pride, and those who imbibe with unfailing enthusiasm.
